

City Delivery Service
in OperationINSPECTION OF MAIL CARRIER
ROUTES MADE BY POST-
MASTER HAWS.

Postmaster Haws has just completed an inspection of the mail carrier routes. Inspections will be made monthly.

A few residents have failed so far to get a receptacle in place for their mail. Quite a few were found in rather inconvenient positions for the carrier to reach. Every step counts in the mail delivery service. Also delay in delivery of letters is apt to be caused by lack of a street address, as all such mail is likely to be laid aside and given directory service, which takes time.

The Postmaster has communicated with all the principal publishers of magazines with a view to having their Narberth mailing lists corrected. We would greatly appreciate the co-operation of all local organizations, societies or business concerns who have mailing lists in Narberth. If they will submit their list to us we will supply the correct street number in each case.

Considering that the service has been in operation in Narberth less than a month, it may be said that we are getting along fine, and so far, our friends do not seem to forget to buy their stamps and stamped paper in Narberth.

During the inspection the Postmaster noted with pleasure that some of the patrons would endeavor to save the carrier many steps by meeting him at the gate or at the edge of the porch perhaps. With a heavy load on his shoulder to carry in and out to each house, up many steps perhaps, these little acts of courtesy are a great help, especially while the conditions are new to the carriers.

POPULATIONS.

The actual total population of the entire "Main Line section," including Lower Merion township and Narberth borough, Montgomery County; Haverford, Radnor and Newtown townships, Delaware County, and Tredyffrin and Easttown townships, Chester County, is 49,996, according to completed census returns.

This covers the familiar "Overbrook to Paoli" section.

Announcement was made last week of the Tredyffrin and Easttown figures.

Tredyffrin is credited with a present population of 4,470, against 4,017 in 1910 and 2,926 in 1900. The latest rate of increase is 453 since 1910 or 11.3 per cent., as against 1,091 in the 1900-1910 period, or 37.3 per cent.

The East Precinct of Tredyffrin, including residents of the Eliza Calhoun Home for Incurables, has 1,619 population; that of the Middle Precinct is

AN ARGUMENT FOR SUPPORT.

One of the busiest committees of the Main Line Citizens' Association is the Village Improvement Committee, a meeting of which was called at the Milestone, at Bryn Mawr, last Tuesday at 5.15 P. M. An outline of its activities gives an excellent idea of the widespread usefulness of the Association.

The Village Improvement Committee deals with the problems of improving general conditions along the Main Line. It is somewhat of a parent committee, in that frequently a single phase of its work develops to such an extent that a separate committee must be formed to handle it. In this way the Committee on Clean-up, the Housing Committee, and the Committee on Roads and Automobiles were created.

Under its direction the annual Clean-up Campaign has become a regular and successful event. The committee is now urging a regular removal of ashes and rubbish in Lower Merion Township, such as already exists in Haverford, hoping thereby to do away with the necessity for a yearly campaign to clean up rubbish that has been collecting in odd corners and vacant lots throughout the year.

Also in the interests of Clean-up the committee has had placed, and maintains, 12 large rubbish receivers at suitable places in Bryn Mawr and Ardmore. They hope thus to encourage passersby to observe the Lower Merion ordinance against the scattering of papers and rubbish on the streets. The cans are emptied once or twice a month at the expense of the Main Line Citizens' Association.

The committee was instrumental in having Lancaster and Montgomery turnpikes freed from toll, and is maintaining a constant agitation on the subject of widening Lancaster pike in the business sections.

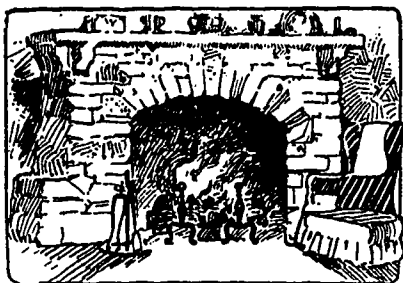

Paving lines and levels, improved street lights, snow removal, street cleaning, removal of weeds, objectionable signs and billboards are some of the subjects now being considered. The committee has already brought to the attention of the three township commissions, Radnor, Haverford and Lower Merion, the State law forbidding the posting of bills along public highways. Lower Merion and Haverford townships have instructed their police departments to enforce the law.

The committee appeals to the residents of the Main Line for suggestions, advice and full co-operation. Support the committee by joining the Main Line Citizens' Association. Send your name and dues of \$2.00 or more to the treasurer, William J. Clark, 715 Chestnut street, Philadelphia.

STRICTLY ETIQUETTE.

"Look here, soldier," demanded the Major of the little man who had passed him with a cigarette in his mouth and without any signs of recognition, "who taught you about saluting?"

"Cap'n Smith, sir; but Cap'n says never salute with a cigarette in your mouth."

"To foster and perpetuate a one hundred percent Americanism." "To inculcate a sense of individual obligation to the community, State, and Nation."

LEGION ATHLETIC MEET IN SEPTEMBER.

Veterans of the world war will vie with one another in athletics in Philadelphia on September 18, when an American Legion field and track meet will be conducted at Franklin Field under the direction of the local organization of the Legion. Many legionaries of the East and some from Western States are planning to come to this city for the occasion. The meet was first discussed last winter, and since then a committee has been actively at work on preparations. The thought has been expressed that it may be possible, if the forthcoming meet proves to be of sufficient inspiration, to hold annual or biennial National Legion athletic meets. For that matter, the meet here in September will be of some national importance.

The program and prizes for the field day as prepared by Edward J. Koellsted, chairman of the Legion Athletic Committee, with the assistance of Dr. George Orton, of the University of Pennsylvania, include a medley relay race, 100-yard dash, tug-of-war and numerous handicap events.

The meet is in charge of a committee of which George G. Stranahan, of Prince-Ford Post No. 7, is chairman, and the members are Edward J. Koellsted, Post 142; William L. Charr, Post 275; Andrew F. Quinn, Jr., Post 425; Lucien A. Hauslein, Post 61, and William R. Andress, Post 376.

Posts of the Legion throughout the city are urged to forward to Mr. Koellsted the entries of persons who desire to compete. The tentative program and prize list is as follows:

National events, open to all members of the Legion throughout the United States—One-mile relay, each man to run 440 yards; 100-yard dash, 600-yard run and one mile. Challenge cups for the winners, the same to be held for one year and to be won outright by the athlete winning three years in succession. For the other three events 18-karat gold medals for winners, with silver and bronze medals for second and third.

Closed to Legion Posts of Pennsylvania, New Jersey (south of Trenton) and Delaware—Medley relay race, first man to run 220 yards; second, 440 yards; third, 880 yards, and last, a mile. One-mile relay, each man to run 440 yards. Cups to winning teams and four gold, four silver and four bronze medals. 100-yard dash, 70-yard dash (open to nurses and yeomanettes), medals to the first three in each of these races. Tug-of-war, cups to winning and second teams.

Open to service and ex-service men—Undress race, 18-karat gold, a silver and a bronze medal; bayonet race, 18-karat gold, a silver and a bronze medal; bugle competition, 18-karat gold, a silver and a bronze medal. Wall-scaling (by squads), cups to first and second squads.

Handicap events open to A. A. U. registered amateurs—100 yards, 220 yards, 440 yards, 880 yards, one mile, high jump, pole vault, broad jump, shot put and invitation one-mile race. Eighteen-karat gold, silver and bronze medals as above to first, second and

Editorial

To the Editor of Our Town:

In answer to Mr. Wm. T. Harris' letter of June 28th published in this paper, I purchased the "Brick Row," consisting of 38 houses, 13 years ago. The first five years I lived in one of them myself, during which time there was only one death, an infant. Since then, there were three deaths, one child, one man of old age, and twins of premature birth.

I do consider this a small death rate for 38 families for 13 years. The tenants think it an outrage to have their homes so degraded by such accusations. Some have been living there since the houses were built, 19 years ago.

MRS. MARY L. BOWER.

The following article appeared in the Directory Journal under date of July 15th, 1920:

TORCHIANA'S TOWN SHOWS GREATEST GROWTH.

In Narberth, Pa., a beautiful little suburb near Philadelphia, the home of our gallant member from Philadelphia, a newspaper known as Our Town comes out under date of June 26th, with an article entitled, "Well, Here We Are,

Folks, 3,704-Strong." The Census announcement shows that Narberth has more than doubled its population since Torchiana has lived there. Some one from Philadelphia sent in the clipping and marked it, "This is where the Boss lives." The article says that while Detroit and Los Angeles can show a big growth, proportionately Narberth shows the greatest growth of all.

The Pennsylvania State Police made 692 arrests and recovered almost \$29,000 worth of stolen property in this State last month, according to figures announced today by Major Lynn G. Adams, the superintendent. Reports of June activities from the five troops of police indicate 237 arrests for violations of the State's automobile laws, 11 for infractions of the Federal liquor restrictions, four for arson, one for forgery, and two for desertion from the United States Army.

Major Adams' statement further shows that 487 of the persons arrested were of American birth, 51 of them were negroes, and 154 were foreigners. Of the individuals who fell into the troopers' clutches, 646 were males and 46 were females.

Fourteen stolen automobiles were recovered in June, together with sundry cows, bicycles, canoes, horses, silverware, clothing, carpenters' hammers, blankets, and other miscellaneous articles.

Troop C, with headquarters at Pottsville, is credited with the largest number of arrests during June, listing 138 alleged offenders. Troop B, of Wyoming, Luzerne County, was second, with 116 arrests.

In the Lancaster territory, Troop E recovered more than \$10,000 worth of stolen property, including several automobiles. Troop B performed similar service for the public to the extent of \$7,171.

During May, 784 arrests were made, and \$23,000 in stolen goods was recovered.

The Holiday House will welcome donations of your surplus fruits, berries and vegetables. They will surely be appreciated by the King's Daughters and their guests. Telephone Mrs. Fred E. Derby, Narberth, 386-R. 106 Narberth avenue, Narberth.

The Narberth Tennis Club's shirt waist dance was held in Elm Hall last evening. An unusually large crowd was in attendance. Full details of the evening will be given in next week's issue of Our Town.

Haverford avenue, from Essex to Narberth avenue, is being put in excellent shape, and the work is progressing rapidly, considering the many trivial drawbacks which Street Commissioner Humphries is experiencing.

At this time of the year, with so many of our residents away, it is no easy matter to gather local news for the "Fireside." An item or two from you, each week, would be greatly appreciated by the editor.

A subscriber writes: "Where is the Club?" We immediately got in touch with our worthy contributor, who says that since one William Cummer moved away he has lost heart.

802, and the West marshals 2,049 persons.

Easttown township shows a population of 2,307, against 2,178 in 1910 and 1,910 in 1900. The rates of increase are 129 persons in the past ten years, or 5.9 per cent., and in the preceding generation 268, or 14 per cent.

Previous census figures obtained were: Lower Merion, 23,866; Narberth borough, 3,704; Newtown township, 837; Haverford township, 6,631; Radnor township, 8,181, a total of 43,219 and the addition of 6,777 in the two adjoining Chester County townships brings the mark within four of the 50,000 mark, which has for several years been a haphazard estimate of the number of persons actually living along the Main Line.

It would be interesting to ascertain how many Main Line residents with city homes are counted as "not living along the Main Line" in the census returns.

Miss Anna MacKeag, Secretary,

Narberth, Pa.

My dear Miss MacKeag:

I have received your note of July 19th, enclosing check for \$36.66, representing the balance in the treasury of the Narberth Woman Suffrage Party. We are very grateful for this contribution, of course, as it is always more difficult to raise money during the summer months than at any other time, but I trust this closing up of affairs of the Narberth Woman Suffrage Party does not mean that the splendid workers in Narberth are not going on to organize a League of Women Citizens.

We now have approximately 15,000 members in the State after only seven months' organizing, and with many splendid organizations in Lower Merion

Township and a chairman for Montgomery County, I hope that Narberth will do as well with the League as they have always done with the Woman Suffrage Party.

Mrs. Miller has asked Mrs. Alleyn Martin to go to Narberth, so you can expect to see her within the next few days.

Sincerely yours,

6.30 P. M.—Union twilight meeting, with sermon by Dr. R. H. Gage. Lieut. H. G. Sparks will sing.

Next Wednesday evening the union prayer meeting will be held in the Presbyterian Church with leader furnished by the Baptist Church.

Rev. and Mrs. Van Ness expect to spend most of their vacation at Ocean Grove, N. J.

NO MONEY FOR ROADS.

Township Commissioners Are Unable to Issue Bonds at Low Rate.

The Lower Merion Township Commissioners will not be able to follow their program for road work by raising the money with a bond issue.

At a special meeting of the Finance Committee on Tuesday evening to open bids for the proposed issue of \$270,000 in bonds no offers were received at the rate of interest of 4.6 per cent, which is the highest the township can pay under the law.

As a result of no bids being received the proposed work will be postponed until next year, when it is hoped that conditions will be better and the work less expensive.

ENCOURAGE THE SWALLOW.

If you want to free the neighborhood of mosquitoes encourage swallows to make themselves at home, says the American Forestry Association of Washington. These birds feed almost entirely upon obnoxious insects and they will do much toward protecting orchards and other trees from insect pests. No better investment can be made, therefore, than some houses set out for martins and other swallows. Of the blue swallows the purple martin is the largest, the male being entirely blue above and below, while the female is blue above with a gray breast. Swallows are highly migratory, most of them spending the winter in South America.

DEATH OF CIVIL WAR VETERAN.

Thomas Munroe, 78 years of age and a veteran of the Civil War, died in Hazelton, his old home town, on Saturday, July 24th, 1920. At the time of his death Mr. and Mrs. Munroe were with their daughter, Mrs. E. T. Baughner, from whose home the funeral was held on Tuesday. In addition to Mrs. Baughner three other daughters survive him, Mrs. William T. Coble and Mrs. J. Frazer Parse, of Narberth, and Mrs. N. E. Koehler, of Athens, Pa.

For twelve years prior to his death Mr. Munroe resided in Narberth. Previous to that he had held the office of Prothonotary of Luzerne County, and for two terms, 1888 to 1896, he was Postmaster at Gallitzin, Pa. He served throughout the entire duration of the Civil War, being at Gettysburg during the final struggle for victory. Mr. Munroe was a member of the Order of Free and Accepted Masons, by whom the services were conducted at the house, the G. A. R. having charge of the services at the cemetery. Mr. Munroe was one of a family of seven brothers, four of whom survive and all of whom were able to be present at the funeral. Before his retirement from business some years ago, Mr. Munroe was very active in politics and business in different sections of the State.

ENOUGH IS PLENTY.

"Very few girls of my sort would be willing to marry a common sailor," sniffed the snobbish young woman.

"Very few girls of your sort would be plenty sufficient for me," retorted the common sailor. "Very few indeed."

CLOTHES AND THE MAN.

(From the Columbus Dispatch.)

For a hundred years people have been talking about "clothes and the man" and preaching sermons upon the subject. Here is a passing paragraph to illustrate the point:

"Clothes make the man—make the human individual. Dress a boy like a tough—and he'll ape the tough's manner, many times; dress a boy in clean, modest attire—and he'll try to live up to it, most frequently."

Pleasant enough to read but absolute foolishness. Whatever may apply to men in the matter of dress, it certainly does not apply to boys, and it will not be admitted by every one that clothes make the man. Clothes may indicate the man's characteristics to some extent, but they have nothing to do with the shaping of his character.

As for dressing a boy in "clean, modest attire," that means nothing at all. A boy wants to be dressed like other boys, to some extent; he doesn't want to be conspicuous because of rags nor starched linen. Either extreme is embarrassing to him. But no greater injustice can be visited upon a boy than insisting that he keep himself clean. There is no fun in cleanliness—to a boy—and fun ought to be the lot of every youngster. To have to be careful lest one soil his cuffs, to have to walk in the beaten paths lest he harm his shoes, to have to stand up lest he stain his trousers from sitting on the grass—these things are enough to drive a boy from the home into the alley as a place of residence.

HEIGHT OF SANITATION.

"Do you think it healthy to keep your hogs in the house?" a social investigator asked a native of Arkansas. "Wanl, I dunno," he drawled. "But I been a-keepin' my hawgs there for fourteen years and I ain't never lost one on 'em yet."

"And in behalf of those who lie in France—" began Candidate Boofus. "You want a chance to lie in Congress," finished the three-striper. "No, thanks."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Narberth American Legion Building and Loan Association will open their first series in September.

Watch for further announcements.

Now the whole family can go out on a Summer evening

THE women should certainly be thankful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now

they're beginning to insist on *knowing what they are getting*.

And the more they insist, the better it will be for us.

IV

We want our customers to know what they are getting.

That's why we represent U. S. Tires—so there will be *no doubt* about it.

Whatever the size of your car, you know that the U. S. Tire you put on it is the *best kind of tire* its makers know how to make.

U. S. Tires are guaranteed for life, *without any limitation* of mileage.

That ought to mean something to the man who has thought about tires.

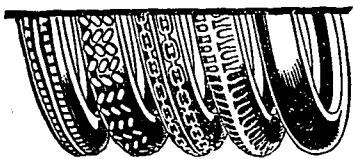

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

THAT KIND.

The returned soldier was regaling the family with accounts of the privations he had suffered.

"And I'll tell you," he continued, "the food we got coming back wasn't fit for a hog to eat."

"Mercy," ejaculated the fond aunt, "what sort of transports did you come back in?"

"Transports of wrath," replied the ex-doughboy, feelingly.
